## ON THE ROAD AGAIN

The Memphis Chess Club will be moving again. Due to circumstances beyond our control, it seems that the schedule of the Kingsway Christian Church conflicts with the needs of the club. Therefore, commencing the beginning of next year (1994), the club will be meeting at new - and hopefully improved - location. This comes as somewhat of disappointment to the board since we were all quite satisfied with the location and time of our meetings.

In any case, an effort is already underway to secure a new location for our meetings. We would still like to maintain our Friday evening time slot. However, we are soliciting for any suggestions or tips from club members as to some possible sites. Naturally, FREE locations are preferable. But, we have some room to work in this area. Churches, historically, have seemed to work out best and oftentimes prove to be more economical. So, ask your minister/pastor/priest/rabbi if they would be willing to "tolerate" us on Friday evenings.

But, in the meantime, the club will be continue to meet at the Kingsway Christian Church off Poplar.

When the new location is decided upon, there will be a all-member mailing giving specific instructions of

the When's and Where's.

## ANNUAL ELECTIONS

On December 3rd, during the regularly-held weekly meeting, the annual club elections will be conducted. There are vacancies in all 7 board positions. This is your opportunity to help move the Memphis Chess Club into it's second century.

So, if you want to run for any positions on the board - be nominated - or simply vote for your favorite candidate - you must be in attendance on December 3rd. If you would like your name to appear on the ballot, you must let the Secretary, David Emerling, know at least 1 week prior to the election. However, there will be provisions for write-ins at the time of the election. David Emerling: 853-4282 (voice), 854-2561 (modem).
